**17. How will cooperative relationships among people that use federal lands be improved?** [Sec. 2(b)(3)] Brushing of BLM Roads will benefit use by keeping them open for travel. Administrative and Recreation use, and Commercial Hauling would benefit directly from well maintained road systems. Traffic speed and driver safety would be improved by keeping roads free from encroaching vegetation.

**18. How is this project in the best public interest?** [Sec. 203(b)(7)] **Identify benefits to communities?**
